

ROYAL SATISFACTION

Customer Satisfaction Based on Profit and Productivity

ROYAL ALLIANCE DRCC 3025N was purchased by *Vic Knight & Sons, Morpeth, ON* as the top selling lot of our Production Sale Volume III. He has been instrumental in building their purebred Angus herd as well as adding a new dimension to their commercial herd. He is now the newest herdsire for long time DRCC customer *Harley White, Mooretown, ON*. His service will be a feature in our Production Sale this fall.

ROYAL TRAVELER DRCC 5040R is an Alberda Traveler 416 son who was one of the most popular lots of our 2006 Bull Sale where he was selected by *Ole Farms, Athabasca, AB*. His dam, *Thomas Lucy 0732K*, is a top donor in our program who will sell as a feature of our Production Sale this fall. A full sister and his first progeny will also be sale highlights.

ROYAL LUCY DRCC 5019R was purchased by *Mark Erb, Millbank, ON* as a heifer calf from our Production Sale Volume IV. She sold as a feature bred heifer in last year's Legend Lane sale where she brought more than twice the amount of the original purchase price. She is now a standout female at *Tremont Angus, Kingston, NS*. Her dam is now a donor female for *Benchmark Angus, Lethbridge, AB*.

ROYAL PRIDE DRCC 2054M is the dam of this beautiful bred heifer sired by GAR Retail Product who was purchased in dam by *WatCha Land and Cattle, Mount Forest, ON* at our Production Sale Volume IV. This heifer and her dam, who has a great herdsire prospect at side, will be highlights of the *WatCha Dispersal, September 28, 2007*. She has the added depth of body and volume which our customers have come to expect from DRCC bred cattle.

ROYAL LUCY DRCC 1068L who was a feature of our Volume IV sale, is the picture perfect dam of this heifer calf who was purchased in dam by *Steve Debus, Brunner, ON*. This powerful heifer sired by GAR Predestined was our choice of the strong offering at last year's Legend Lane Sale. *Ole Farms, Athabasca, AB* also selected a maternal sister to this heifer from our sale to join their breeding program.

ROYAL RIGHT TIME DRCC 3005N is the sire of this young herdsire who was purchased in dam by *Bill & Jenny Playfair, Jasper, ON*. He was a tremendous performer having an adjusted 205 day weight of 938 lbs. He was selected by *LLB Angus, Erskine, AB* to sell as one of the feature lots in their spring sale.
